

## JOB DESCRIPTION

# Massage Therapist

**Position overview:** We are looking for hard working, adventurous, and customer service minded people to join our team for the 2026 summer season! The **Massage Therapist** role is responsible for organizing and delivering professional massage treatments to guests, and contributing to our hospitality team. The ideal person for this position would be independent enough to run the massage program while also being enough of a team player to contribute to the efforts of other departments. Located on an island, this is a remote position which includes accommodation. Enjoy the opportunity to explore the land and water in a beautiful and unique place.

### Duties and Responsibilities:

- Delivering safe, professional, and thoughtful massage treatments
- Organizing, scheduling, and coordinating treatments with guests
- Maintaining a pristine standard of cleanliness in the massage studio and guest areas
- Independently completing required tasks while also contributing to team goals
- Weekly tasks including laundry, housekeeping assistance, and other duties as required

### Qualifications and Experience:

- Completed massage training required (RMT, body work, or equivalent)
- Additional assets:
  - Lodge or remote working experience
  - Housekeeping experience
- A passion for providing attentive and warm customer service
- Upholding high levels of professionalism at all times
- Strong communication and teamwork skills
- Contributing to the big picture goals and responsibilities of the team
- Ability to safely lift 40 lbs
- Capacity to be an active participant in a physically demanding role
- Being comfortable living in a remote environment is a must
- A love for the outdoors is very valuable

### Details:

- Seasonal contract position from June 2026–September 2026 (with some flexibility if required)
- Competitive daily wage + gratuities (discussed upon offer)
- Accommodation + meals provided
- On-the-job training and management check-ins
- Flight provided from Edmonton or Saskatoon
- On site fitness facility
- Starlink internet
